There is a demo out there, but I cant find an URL for it. Try And track your tenants, and so on. This The resources are NOT traditional at all. Those who play it like It look me almost al It is in a rare genre. Not that many games deal with the Eidos publishes a similar game called Gangsters, but that is more Supposedly GOD Games will be making a game called Mafia coming out In most RTS, you assign harvester units to obtain the resource, In Mob Rule, Cement, Bricks, and Steel are available in unlimited The resources are used to build buildings, but they are not TIP You should NEVER need more than one of each plant, if you The REAL resources in Mob Rule are money, workers and tenants. Remember that the businesses paying rent get more income. So The rent will be relatively minor. Still, the more upgraded the If it is an emergency, you CAN borrow money, but that comes Dont forget to pay taxes remember, it was IRS that got Al. Capone at the end, not Elliot Ness. You usually start with a few workers. Worker powers a LOT of things. A worker moves things around, Gangsters. So you always need 25 of them. If you need a level 1 tenant in a hurry, you can convert one from Hall. Confirm Level 1 upgraded can build a level 2, and so on. If you need a level 1 tenant in a hurry, you can convert one from Tenants can die from old age, so you need to constantly breed new You can stock up to 10 of the specific resource per factory.

You If you are short on a particular resource, sending the priest You gain the money Try to convert the businesses making babies first, as that ll Once youve taken over the business, sell it back to the city and You should be CONSTANTLY converting rival businesses to shrink After that, the building will Remember, youre not fighting a To accelerate building decay, dump the dead bodyies back into However, workers move much Gangsters are harder, but if you have 4 gangsters together and Whats better. stuff the dead bodies into their properties. That will accelerate building decay then roaches and so on. Drop a police beacon on Then move the Usually enemy will simply send in some The earlier you chase off the enemy fixers, the better, as you Use the flaming barrels to mark your territory so the gangsters Unlike other games, each unit in Mob Rule can only be in one Group 1 should be half of your gangsters. Group 2 should be the other half of your gangsters. Group 3 should be ALL your fixers. Group 5 should be all your workers. Group 6 should be all your surplus workers be ready to carry On the other hand, it also gives One box per block is quite sufficient. Spread them out evenly. People holding items bodies, bribe bags, etc. cannot take Its not easy to balance You need workers to create more fixers and gangsters. The more Tenants die after a while due to natural causes. Thus, you ALWAYS You also need to breed. Money is needed for a variety of things. Building, bribing, Build a hospital, as it is the quickest way to heal your units. Technically your HQ also heals units, but it does so VERY slowly. A dead unit takes a LONG time to replace, so a hospital is vital. You can always come back later. Do so as the Of course, that cost more money Obviously, not all weapons are available all the time. As you Your buildings also need to be upgraded in order to make MORE Concentrate fire so Then run for your territory and dispose. Repeat as needed. Fortunately, there are plenty of ways to dispose of bodies.

Dump the bodies in enemy structure is probably the best way. This Just have a worker pick up Another way is to build a cemetery, which contains a cremation Again, you need a One of the ways to keep enemy in check is to perform a raid. You There are actually several types of raids a property raid, a A property raid is a way to keep the enemy gang from encroaching Then you immediately SELL the A tenant raid is basically sort of a hit and run raid intent on Have the workers stuff If enemy cannot produce or reassign A sweep raid basically means go after enemy units like fixers and Then

retreat. Repeat until he has none left. Dont forget attacks on otherMoney block is the quickest way to make money in the game, but itBasically, you need a WHOLE. BLOCK of businesses, ALL upgraded, ALL paying rent not makingAttack the bum, then have the fixer carry the bum back to theYoull see LOTS of money pouringThe cops may get more interested, so start adding deciduous treesYou can have more than one money blocks in operation at a time. Divide up the wasters among the two. This may even dilute policeSo consider selling off EVERY BUILDINGNot only the empty land may restrict you from buying more land,Therefore, either build as many buildings as you can on the wholeBorrow money if you have to.They are a good warning systemBasically, its a matter of getting them to show up, and havingTo get them to show up, you need to either generate some bodies,Any bodies that falls to the ground will generate police interestHowever, you can decrease theAnother way to get rid of bodies is use a cemetery. If you dontIf enough police interest appears near a building, that buildingA police beacon will bring police to patrol, but they wont doKeeping cops away can be a problem. You will want to attractUse Fifi, or just generate some bodiesYou can also BUY them fromUsage Workers, by definition, work. You need them to buildIf you have extra workers, convert them to Fixers and Gangsters.

Your HQ is a good place self you dont want yourGreat for those properties thatWhen attacking, have your gangsters take out the dogs firstTIP Push the MISSION button to review your objectives. Hick Town is sort of a tutorial. Well start easy on ya.Build the soup kitchen. FUN STUFF Watch the property and you may see a little babyWhen you get the new worker, the objective is done.Your existing plot cant fit both factories, so you need to buyTIP Its best to buy land next to a block owned by you, toBuy a block nearby, build your cement factory, call everyone toOn the block with cement factory, build gadget factory, andJust one to go. Wait until your tenant produced two more workers, and youreMake a fixer and haveGo to gadget factory and produce an oven call over a few workersOnce the oven is in, click on the soup kitchen, and click on. As youve already installedSo click upgrade, and call overTIP Now that level 1 business has been upgraded to level 2, youTIP Only level 2 tenants can move into level 2 businesses,By now, you should have quite a few workers. Go to your HQ, then. You need to convert one toAdd some trees as well. Add soup kitchen and drinking den, and assign them respectiveWhile youre at it, make another fixer so you have two.

Set eachTurn AUTOREPAIR on andBuild some evergreen trees and have the workers plant them inTrees go OUTSIDE the buildingOnce you got enough trees planted,Call at least 3 workers to HQ and make a gangster. If you have alIf you move quickly, the enemy building should be still underRepeat, and repeat untilBarbinos. Build hospital to heal your units, then breed a level 2Wipe out those buildings as requested. Your tenants should start complaining. Send fixers back to theirDo NOT go anywhere NEAR the Barbinos places. Build a hospital when you can. Your guys are probably wounded andYou should put that first one near theRemember to make the barrels areas. Keep upgrading your businesses and tenants. Upgrade, upgrade. Start making level 2 tenants and when you get one, youre ontoTake over one ofAlso, bring over a couple wastersSend in the fixers to convert whileWhen converted, sell the property andThe money block is a bit difficult to explain. Ill refer you to. Remember to defend your property against hostile property raidsIf you got a notice to pay taxes, pay it immediately. TheBuild a cemetery, probably near the hospital, or anywhere youTake your gangsters and 3 workers on this raid. Look for one ofKill him, then have one of yourWhen all 3 bodies are gone, have the workers move the barrels aMission accomplished.There are two ways to use a police beacon on a property, or onIf you drop a beacon on a property, the police will camp on thatOf course, thisIf you drop a beacon on the sidewalk or in the street, the policeRight now, it doesnt matter. Just pick up those two beacons andNow its time to bribe the rival

gang. Go to HQ and create a. Send a worker to pick it up and have it Confirm all businesses are contributing to the bribe at least Quacks Office. You'll need to build a brick factory first though Remember to keep the businesses making money. You build quite a Locate more.

Remember to boost the bribe if the police starts to pay more Paying the bribe Once you got both level 2 businesses built, you're onto the last Gather a group of 3 or more fixers and 2 or more gangsters Keep the fixers working and let Remember to retreat if one off wounded, get healed in the hospital, then reassemble the group If police, go away until the police lose interest and move away. Continue job until done. Now the pool hall is yours, click on it, and you'll see the thugs Pick a nearby Barbino establishment and tell the thug to torch Now order the thugs to kidnap a tenant from another Barbino Consider selling off ALL your buildings except those needed to Finally, build your own pool hall anywhere there's space. As soon as Joey the Runt and Limp Lenny have teamed together and taken over Supposedly one of them has some Drinking Den. Breed workers, don't attack any one. What's there to say Get started building things. Buy a lot or You will need to spread them over We want them to go Keep making workers until you get a Well, do what the objective says. Buy a lot near them, put four Then snipe around the edges to create a Dump them in there, Make extra workers Have to attack the defenders at his You should have already made at least one gangster, so that Build a hospital while you're at it. Now create 45 extra workers, and pick the least experienced If that guy One by one, they all Do NOT attack this time. Just get as close to the cop AND the As defenders attack and your worker die, Worker will either attack relentlessly attack mode, or retreat So you must CONSTANTLY order the worker Take over FOUR of Joeys Dispose of the bodies. To dispose of the bodies means you need to build a cemetery, If you haven't built a hospital, you should do so now. You will Use the time here to expand your business. Build gadget factory. You will need some workers, but not as much as before.

Make Make enough tenants Keep your gangsters low by using the two police beacons near the Cops will watch your place while you go Make gangsters until you have enough, and a couple spare fixers Send the team and pick a target, and take it over. If any one After you capture the place, immediately send in your tenant and Send the team to hospital to get rested. Consider working on two separate edges of the place. After you've Alternate and let the cops Repeat until you've taken over FOUR businesses. Take out his HQ and all This objective can be tough. The trick is don't let any of your Get a group of 4 fixers together, and take over the pool hall. You may not be able to convert it in one shot, so just retreat, Obviously, no cops around. You If you do this later, you risk the RED TEAMS Slowly, work your way around and wipe out the Red businesses one You'll appreciate You may see enemy undesirables. Deal with them as outlined in the After you get rid of the other units and buildings, the HQ should Sell off YOUR buildings now as you need the money for the next Have a bunch of workers ready to haul away any of the bodies. Use fixers if you need to. Attack with all your gangsters and You start with a couple workers, one fixer, a soup kitchen and So you need to You have no gangsters yet, but you do have money. So send some You need oven to upgrade, so you need a gadget factory and cement You'll also need electric light. Now you need to grab Lenny, and that means you need a Pool Hall. Build one, then make sure your business is making enough money. You need two or more gangsters as escorts, and a hospital to Once you got two gangsters and the fixer over to the restaurant, Wait until you see. Lenny in his ridiculous green hat walk into the restaurant. That ought to attract all the enemy If that didn't work, heal the gangsters and the fixer, and do it They have no hospital, while you can build You may need to buy a new plot of Get it built, but no upgrade yet.

You Convert ALL businesses to Build the two beds Once you got the Brothel, go over the HQ and you'll see Carlos Try not to run out of money. Make sure Lenny doesn't Problem here is MONEY. You are SERIOUSLY hurting for money now, You have no money for it. Build a Flop House, sell your level 1 businesses if you need to, Then get it upgraded to Hotel. You also Once that's done, your Tommy Gun

boys should be waiting at your Hit Lennys. Restaurant, take it over, and get rid of all the bodies. Got a hospital and cemetery yet. Build them if not. Then keep a Upgrade the Pick one of Lennys outlying business, and take it over. Then Pick up the bodies as you generate them. You need a worker or two. Dont let ANY of your gangsters die. Retreat to hospital if you Try to attack the businesses making workers, so the enemy cant Concentrate fire so you take out Remember to get rid of the Once youve cleaned out all of Lennys businesses except the Now, just take Find Lenny, hunt him down, and take If youve taken out everything else, the only thing left of Lenny Now is the time to sell off ALL your buildings, as you need the Now, keep the fixers to deal with the occasional workers, while Keep a few fixers and workers When the HQ goes down, you win! Apparently the Colombian gang So be careful. NOTE If you have any debt, they would have been carried over. You REALLY should have paid them off in that previous campaign. Get the police to arrest EVERY Colombian that cross the border. You get a bonus for every one that does. You start with hospital, which is good. However, an enemy priest So your first job is to Thats bonus money you You may think you can just take over those two businesses, but Soon you would have Once you get two or three fixers, and you have enough higher Do NOT cross over the border yet. Group your gangsters and chase Colombians Steel Plant. Then build the prison. To use a priest, you need a church, but why build one The. Colombian church is there. Right next to the target. So use it.

Of course, well need to take it over. Start building ghost gunk generators as youll need them VERY Take your gangsters and fixers at least 3 and cross over. And You may need to retreat a couple times to Pick up the bodies and dump them into enemys businesses except Continue to build up your businesses. You will need money. Build. EVERYTHING you can one of each and upgrade them all. You will You can always use more gangsters. Start building the hotels, night clubs, brothels, and so on. When you see the ghosts, deploy the ghost gunk generators. Once you get the church, which is right next to the steel plant, Now that you have the steel, build the prison. Use the cops You will need to take over a haunted prison to create the ghost, So, you need to take over If there are cops near the haunted prison, you have two Any way, take over the haunted prison any way you can. If the enemy priest is bothering you again, add burglar alarm, You should have Once you closed off the border, its time to do the possession Take over one of the Colombian gangsters and try to corner one of Dont worry about the health of this gangster. He doesnt Build plenty of businesses Brothels. Night Clubs, Hotels. to make that much money. If you havent built the higher level businesses by now, youre a Start increasing the bribes to keep the cops away. Take over ANY enemy business you can and sell it, which gets you. MORE money. In fact, you need to do this a LOT. DO NOT send in Get one of the gangsters If he was forced to drop the bag, pick SMASH the Colombians. The problem here is. You have ONLY two years to do this. If you already have FOUR gangsters and you SHOULD, if not more, Else, make some! I would Work around the edges and keep taking out the Colombian Give yourself enough time to take out the enemy HQ. Once you blew up the enemy HQ, thats it. To the west, you have Frankie OFlaherty. To the east, you have Harvey Goldsteen. To the north, you have Tony Padella. You need to take them ALL out, one at a time.

The plots are smaller, so you need to plan ever better on what Upgrade all You have only TWO gangsters in jail, so its NOT a major loss. Also you dont have any businesses to upgrade. So you need to You can see that Capital City is NOT a friendly place at all. Theres plenty of Undesirables around, including Bruto. So you And stay away Pick somewhere else for a church as you WILL need to release Dont forget to send in fixers on patrol Build the church on a SMALL plot so not to waste any land. Release the gangsters using the priest. You can see your gangsters are pretty weak from all that time in Build and upgrade your businesses. You need money first. Use the Kidnap is the job for the thugs, so youll need a Pool Hall. Set Remember to keep the pressure on all the other guys. You dont When ready, group your force of at least 3 gangsters and 3 Frankie is out, convert the distillery. When the distillery is Slaughterhouse and send Bruto at three of their businesses. Then You should have noticed SEVERAL slaughterhouses nearby you can Bruto is yours to call. Do NOT let him get

caught. You have Pick a target with NO Now its time to build prisons, as there will be quite a few Find a plot thatll fit three Undesirable buildings slaughterhouse, junkyard, whorehouse, NOTE Drop the beacon ON THE PROPERTY, not right next to it. Now watch the cops haul them away. Cousin Carmine is Finally, take out three of Harveys This one can be tough if you still havent built a nice You need to have positive Upgrade your gangsters ASAP, as you need Youll need at least three gangsters more like four and at. Obviously, dont attack any businesses with cops nearby. Pick When you take it over, do NOT sell it. You need to operate it Sell your copy of it, and move the Save the game now, so you dont have to start all over when the Cousin Carmine should have shown up by now at your HQ. You have. TWO YEARS to show him the sights. Take over all three businesses, and have him visit EACH ONE. Be Click on him to make sure Now.

Its time to do in those gangsters. Group together your Build Pool Hall, Haunted Prison, Strip Joint, and Junk Yard, and You wont need the Church any more, so you can sell that. You can Now build those places. Use all the special abilities. And chip away at the enemy while This one is not that tough if youve been chipping away at all Constant property raids. Raid, sell. Raid, sell. You can sell most of your properties now, as you dont need the Keep a few to keep You may need a couple of Strip Joints to create Ffis. You need Once you destroyed all opposition, youve won the game. A sound will confirm correct code entry. Enter any other codes as needed, then start the game. Press C Effect Code.
